

CONGRATULATIONS

○○○
TAKE ACTION. MAKE CHANGE HAPPEN

Your application to volunteer with Edukid has been **successful** and you are now officially enrolled as a volunteer under Edukid's Global Citizenship Award Programme, which has been approved by the Duke of Edinburgh's awards as an excellent opportunity for volunteering.

GET STARTED

To get started, follow the link below and download the pack at the bottom of the page that is relevant to you: <https://www.edukid.org.uk/d-of-e/>

Everything you need to complete the programme is in the downloadable pack:

1. Weekly tick sheet to keep track of your volunteer time
2. The week-by-week guide with details of your tasks and activities
2. Worksheets
3. Edukid projects in more detail
4. Design tips
5. Support for inspiring others

Your **'Week-by-week guide'** will provide you with a structure for your time. You must appoint your weekly assessor (e.g. a teacher you see regularly) to sign off your work each week.

COMMUNICATION

Although this role is remote, meaning that you can volunteer from wherever you are in the world, you are welcome to communicate with the Edukid team to ask questions and receive support at any point. We suggest you join our group check-in calls so that we can meet to discuss your volunteering journey so far. You can get the dates by emailing the Edukid DofE team on dofeinfo@edukid.org.uk

END POINT ASSESSMENT BY EDUKID

Although you are appointing a teacher to assess your work each week, at the end of your volunteering period Edukid will sign off on your overall work. Contact dofeinfo@edukid.org.uk in order to receive your sign off as well as your vouchers towards a trip*, a reference and a certificate of achievement from Edukid.

*Vouchers will be provided if you raise the suggested amount (£100 for bronze, £150 for silver, £300 for Gold),
